Mera name kya hai

Humein lagta tha ke aaj ka din hamari zindagi ka sab se khush-numa din hone wala hai. Kyun? Kyunke hum sare **Backbenchers** ne mil kar ek mast trip ka plan banaya tha! Bas dil mein ek hi dua thi: "Ya Allah, bas aaj ka din nikal jaye aur wo pagal teacher zyada kaam na de."

Jab Umeedon Par Pani Phira...

School pohunche, mood ekdum set tha. Shuruat achi hui; baaki saare teachers ne hamari request maan li aur koi homework nahi diya. Hum phule nahi sama rahe the. Lekin phir aaya **Last Period**... aur hamara wo 'special' teacher.

Humne socha "Chalo, smile de kar welcome karte hain, shayad pighal jaye." Humne bade pyaar se kaha, *"Sir, kal hum sab vacation par ja rahe hain, please thoda reham karein aur homework na dein."*

Wo hasa. Aur uski us hansi ne bata diya ke hamari **waat** lagne wali hai!

"Thoda Sa" Homework ya Saza?

Usne kaha, *"Bas itni si baat? Thoda sa kaam kar lo."* Humein laga shayad maan gaya, par usne jo list sunayi wo kisi nightmare se kam nahi thi:

1. Saari books ke chapters likho.
2. Saare MCQs khatam karo.
3. Kal surprise test hoga (aur jo nahi aaya, uske parents ko call jayegi).
4. Aaj raat online class hogi!

Aur sab se ajeeb shart? Ye 12 words ke sentences bana kar laane hain, wo bhi bina kisi hera-pheri ke:

#	Word	#	Word
1	**fame**	7	**order**

3	**volume**	9	**maximum**
4	**voice**	10	**dry**
5	**obvious**	11	**over**
6	**reason**	12	**liquid**

Usne saaf keh diya: *"Pehle ka end wala aur end wale ka pehla mat karna, warna mere haath se mar khaoge. Aur ye toh sirf aadha homework hai!"*

Ab Hoga Asli Badla!

Humein itna gussa aaya ke bayan nahi kar sakte. Humne bahut request ki, pair tak pade, par wo nahi mana. Result? Hamara trip cancel ho gaya.

Lekin baat ab trip ki nahi rahi, ab baat **izzat** ki hai. Humne decide kar liya hai ke kal hum uske saath jo karenge, wo usey saari zindagi yaad rahega.

Wait and watch, Sir... Backbenchers abhi haare nahi hain!
